Cavalier Services Inc. began servicing the Brekenridge Retirement Center in August of 2010. The facility's primary objective for outsourcing was to continue providing a clean environment while reducing overhead costs, allowing the facility to focus on direct patient care.

Please contact Pam Evans to hear how Cavalier Services has continued to improved since taking over the cleaning of the retirement center.

**“ I ALWAYS
HEAR THE
RESIDENTS
SAYING HOW
GOOD THE
FACILITY
SMELLS !**
